Pedagogical Leadership Institute with Lorrie Baird and Anne Marie Coughlin

Session 1: Exploring *Think, Feel, Act: Lessons from Research about Young Children* Author's Series

The role of leadership in early learning is changing rapidly. As leaders, how might we reconcile the responsibility between never ending administrative responsibilities, ensuring program quality, and supporting the growth and development of educators? Throughout this session we will explore four focuses of Pedagogical Leaders which are: working from a place of vision and values; focusing on building strong relationships; nurturing dispositions that are useful in our work; and embedding professional development in day-to-day practice.

Friday December 5 and Saturday December 6 • 8:00 am to 3:30 pm • Holiday Inn, 327 Ontario Street, St. Catharines • \$145 includes continental breakfast & buffet lunch on both days and all institute materials
