

# Join our Wonder of Learning Exhibit Bus Study Tour *and* Summer Recharge

Educators in Ontario have a truly unique opportunity to see the **Wonder of Learning Exhibit** in our own backyard this year. Our ECCDC Team is so excited and we have planned this event in order to help you experience the exhibit with ease to reflect and enjoy amongst colleagues.

The Wonder of Learning Exhibit is a travelling exhibition of the Infant-Toddler Centres and Preschools of Reggio Emilia and in particular to highlight changes, innovations and developments that have taken place. The exhibit runs from June 23 to November 13, 2016 in the Lower Concourse of the Royal York Hotel in Toronto.

## Our Study Tour Morning

Study Tour participants will meet at the ECCDC at 7:30am to board a bus that will take us to the Royal York Hotel. At the exhibit, a representative of the Ontario Reggio Association will greet our group upon arrival and will be available to answer questions. We will have time to consider the exhibit from the lens of reflection as we contemplate the following ideas: What is our view of children? What is our view of ourselves as educators? What are the hundred languages of children? What is the meaning of relationship and how may we understand children's thinking through documentation?

## Our Summer Recharge Afternoon

We will depart the Wonder of Learning Exhibit at noon to head back to beautiful Niagara Region. Along the way we will stop at a local winery to enjoy wine tasting and lunch, while enjoying the breathtaking scenery the Niagara Region offers us.
