Nurturing Brilliant Minds:

A Professional Learning Series for Educators of Infants and Toddlers

Building on the highly successful first five sessions in Nurturing Brilliant Minds, the ECCDC is delighted to offer another workshop especially designed with educators who work with our youngest children in mind.

Session Six: Creative Art Experiences for Infants and Toddlers

Are you caring for infants and toddlers and would like inspiration regarding creative art experiences for them? Are you looking for innovative engaging experiences to offer? If so this workshop is for you. Join the ECCDC's Early Learning and Child Care Trainer Ginette Wilson for this interactive session that will include lively discussion, inspiring ideas and an opportunity to explore a variety of hands-on experiences.

During the session participants will have an opportunity to share and reflect on the current creative arts experiences that they offer to infants and toddlers, and how they can build on them. There will also be opportunities to consider how providing creative arts experiences set the foundations for future creativity and how this reflects the 4 foundations of *How Does Learning Happen? Ontario's Pedagogy for the Early Years*.
