

1. Welcome and Introductions.:

- **Introductions:** Patricia Couroux, ECCDC – Facilitating Network

2. Acceptance of Agenda:

- Agenda accepted.
- A discussion about what the network meeting will look like moving forward took place. Everyone is able to participate in creating the agenda which may be sent out ahead of time and there may be a theme to each network meeting.
- An article for reflection will also be sent out with the agenda. When reading the articles, think about how they can be included in CPL how being a part of a community of learning can be used when completing the CPL and what goals are being achieved.

3. Article for Reflection:

- Participants agreed that sending out the article ahead of time was helpful.
- One participant reflected on the article by saying it would be helpful to have that moment to meet with the team at their centre to reflect on the day because things can be so busy
- Article outlined being intentional in your reflection practices.
