Mindful Moments

How to Turn your Stroll around the
Neighbourhood into a Mindful
Experience

eccdc
early childhood community development centre

Step 1

Dress for the weather. You will want to be comfortable so your mind can relax.

Step 2

Focus on the sounds you hear. Birds chirping, the breeze through the trees, squirrels chattering...

Step 3

Focus on what you can feel. The sun on your face, the wind in your hair, the squish of mud under your feet...

Step 4

Focus on your surroundings. What is different? Are there new plants in bloom? A new bird nest in a tree?

Step 5

Experience the moment. Take a few deep breaths, capture a photo, let the sun warm your face...

Step 6

Reflect on your walk and share your
Mindful Moments with us!
